

## **RevSource Solutions™ Partners with Bacompt to Provide RevExpress™ to Expedite Integrated Online Payments**

*RevSource Solutions and Bacompt partner to provide RevExpress to accelerate and increase online payments over 300 percent, providing more revenue and efficiencies for customers.*

**Muncie, IN – November 7, 2011–** [RevSource Solutions](#), a leader in online personalized payment solutions for the collection industry and healthcare, recently announced a partnership with Bacompt, a leader in statement and letter printing and mailing for over 3 decades, to offer RevExpress online payments for early out self-pay and collections. RevExpress' personalized websites automate online payments to increase and accelerate revenue while increasing staff efficiencies. RevExpress provides custom branded websites with single, multiple or recurring payment parameters per client.

“Our customers look to us to improve efficiencies within their organizations,” commented Dwayne Hurt, COO of Bacompt. “Customers have seen increased efficiencies and revenue from using RevExpress. We partnered with RevSource Solutions to be able to offer RevExpress with more customers.”

“We are excited to partner with Bacompt, with their proven solutions, reputation and trusted relationships with their customers,” said Shawn Kerrigan, president at RevExpress. “We are proud to build upon our partnership with Bacompt to jointly bring state-of-the-art online solutions to their customers.”
